

# CULTIVATION

## MASTER GROWER ○

Experienced growers well-versed in the complexities of indoor and/or outdoor cannabis cultivation. They oversee the entire process of a growing operation. Responsibilities can include facility design, flow, and management of components such as lighting, genetics (seeds) selection and growing media. Master growers also work with owners and executives to maintain regulatory compliance, manage cultivation teams and plan and delegate responsibilities throughout the growing process up through the harvest to achieve top quality crop yields.

## ○ ASSISTANT GROWER

This position supports the master grower by executing daily initiatives and helping maintain production schedules. They have a foundational understanding of the growing process and are experienced enough to recognize issues when they arise, and the necessary adjustments needed to maintain a quality crop yield. Think of a them as the understudy of the lead grower.

## POST-HARVEST TECH ○

Performs manual labor to assist in the processing of cannabis, including, but not limited to hanging, bucking, drying, destemming, and trimming. The role maintains a sanitary and organized inventory of product depends upon the detail and thoughtfulness s/he exhibits in this position primarily the ability effectively compartmentalizes strains, batches, and corresponding numeric values to reduce any confusion or mislabeling.

## ○ TRIMMER/HARVESTER

One of the best ways to learn cultivation techniques is to seek an entry-level position as a trimmer and harvester of cannabis. Responsibilities include properly removing buds from the stems of harvested plants, trimming off the large leaves in a careful and efficient manner and helping sort the material for the drying and curing stages.

\*\*\*All persons allowed to work if they are 21+ years of age, obtained an Agent Card from the Nevada Cannabis Compliance Board (CCB), and had a background check. Current law states an employee cannot have been convicted of an excluded felony offense. Additional experience and education level is required based on position.
